L. CANFIELD, H. P. D. S. CAMPIELD, Sec'y. Fremont, Nov. 1st. 1867.

ELM STREET,-The city is now doing a neavy piece of work on Elm Street, north of State Street. The street is being carefully graded and a fine side walk has been built over the gulley on the west side at a great expense, although there is already a good that he had on, when he left, "a black fur one on the east side of the street. In the hat, sailor's jacket, and black pentaleons, be cautions his brethren of the press to three per cent, is not heavy rate of taxation mough to secure the greatest prosperity.

Personal -- Mr. Janas R. Day, the inventor of the Day Job Press, for many years a standard press among printers, and one of published with the strictest regard to reguthe proprietors of the Cincinnati Type larity or uniformity of size, the whims of the premises, nearly opposite the residence Foundry, stopped at the Kesaler House over

ful merchants of earlier times, was in town for several days last week.

style by MERWIN & OOLHAN, for some months past, has again changed hands. Mr. shaking and the next to printing. J. McDowall of Cleveland, being the new In running over these old papers we find

took a trip down the river on the Souter last week, is company with Gen. R. P. Buckland, who, I appears, removed from the State in Oapt. Flint and several of our citizens who 1839, I John A. Johnson next but up his been so low as it is at present.

"After the Battle."-The only soldier rom the "Army of the Rhine" who has been Rock Alley, is a demoralized individual who with unexampled liberality offers \$50 to any a legal-literary curiosity : man who will prove that he 'led or headed any single individual" to the attack in the bloody engagement. The story goes that he headed a "single individual" towards the ear and out of range in double quick time.

idering dull times, business is going around the new rooms on State Street quite as ERNET & YOUNKMAN have all the work they That he might become your humble n spite of sharp competition, and Canoon has already secured quite a trade by fair dealing and low prices. They are bound to win in the long run.

At the Dedication-Rev. J. Wyres as present last Sunday week, at the interesting dedication ceremonies of the fine, new Methodist Church at Findley, an edifice which, when finished, will cost not less than \$40,000. The credit of starting the government to build the church belongs to Mr. WYKES more than to any other man, as he was pastor over the church at the time it was projected. Findlay, Clyde, Bellevue and many other little towns are far ahead of Fremont in Church buildings.

Real Estate Agency .- Our readers wil see by reference to our advertising columns that Camping & Co., have opened an agency for the Sale of Real Estate. The advantages of such an agency to such persons jas have property to rent or sell are apparent to eveyone. Besides the thorough advertising which the property is given through the generally on better terms through an egent who makes it his business to buy and sell. The agency is sure to receive a good pat-

A Library of Universal Information

AND THEFT OF

American Cyclopaedia. A Popular Dictionary of General

Edited by GEORGE RIPLEY and CHAS.

A. DANA, sided by a numerous select corps of writers, in all branches of Art. Science and Literature, 27001. In 16 large volumes, Sec. 150 double column pages in each volume.

The leading claims to the public consideration which the New American Cylopedia possesses may be briefly stated:

1. It surpasses all other works in the fullness and ability of the articles relating to the United Stat s.

2. No other work couts as so many reliable blographies of the leading men of this and other matters. In this respect it is far superior even to the more Bulky Encyclopedia Britannica

3. The best minds in this country intro been employed in cariching its pages with the latest disk, and the most recent discoveries in every bands of manufactur, mechanics, and general science.

4. It is a literary in their where every topic is treated and where information can be gleaned which treated and where information can be gleaned which

protected by metal tips.—Boston Journal.

Many Persons are to-day auffering from Dyspepsia who do not know it: they feel a heaviness after eating, a sort of lanquor or lack of energy, and attribute it to the Wall weather. It is nothing but Indigestion, and one does of Coe's Dyspepsia Gure will confirm this fact.

Neuralgia is cured by the use of Renne's Pain-Killing Magic Oil, surgest of anything we ever tried, in fact, it cures any kind of pain or lameness, and is an article every family should keep in the house. Sold by E. Dillion.

Those irraversent lads who called names of their a certain "bald head" of old, deserved their untimely end, because at that time no panacea had been discovered to restore the human hair upon the bald spois. But now Ring's Vegetable Ambrosia is known to possess the rare merit of invigorating the roots and filling them so full of life, where not entirely dead, that they cannot help putting fourth a new growth which r.vals in beauty his locks of youth.

"Of all the arts ip which the wise: excel, we consumed a test of the serio conditioned it is worked to every description of the beauty site of the part of the wise excel, while only men of from the found. The serio of the beauty site locks of youth.
